

Inyokern Game Room

Issue 1

October 18th, 2018

Inyokern Elementary

Video Games for Citizenship

Inyokern Elementary School is working hard to reinforce good behavior of students. To reinforce these positive behaviors, we are creating a game room. Students who are nominated by their teachers for good citizenship will be allowed to play video games, board games, puzzles, and other fun activities.

We will be looking for volunteers to help us supervise students and add to creating this positive environment. Mr. Kennedy is looking forward to playing some games with our students and to recognize them for showing Peacebuilder traits.

Old Video Game Systems & Boardgames

We would like to ask the community if they have any old video game systems that they would like to donate. We could use any additional old Playstations, Xboxes, or Wii systems. Additionally, we could use any complete boardgame sets or tabletop games. Thank you for your support in helping give our students positive & fun learning experiences.
